Review: Third `Rush Hour' Is Lazy, Flat

<http://www.hfxnews.ca/photos/TheDailyNews/stories/Rush700.jpg>

AP) If "The Bourne Ultimatum" is the best of the summer threes, "Rush Hour 3" is easily the worst.:S

"Rush Hour 3" doesn't work as social or political commentary either. Six years after "Rush Hour 2," which grossed \$329 million worldwide, it just feels as if everyone involved has been dragged back to cash in one more time.
