
Khmer Rouge Trial

Posted by Amazon - 2007/08/30 23:45

Well, the Hybrid trial for the prosecution of Khmer Rouge atrocities is stumbling along, intermittantly halted by wrenches tossed into the works, presumably by Hun Sen. What do you think, better a trial no matter how worthless/embarrassing etc., or no trial at all?

Hi Amazone and others

You rised a good question. I will think and give my opinion in my next JACQUES EYE ON ASIA forum
