1st September 2007

ON INDONESIA RELATIONS WITH MALAYSIA

Fifty years have passed since Indonesia and Malaysia established full relations as two independent nations living side by side. Things have not always been good through these five decades. In fact, it is probably easier to remember the bad times while taking for granted most of the positive aspects of our neighborly relations  
An analyse by the Jakarta Times

26 July 2008

The OECD says Indonesia has to try harder despite 5,5 percent growth

The OECD released its first-ever economic survey of the Indonesian economy in Jakarta this week, a first step along the road to full membership. There are four other countries on a similar track: China, India, Brazil and South Africa.
