I just came back from Yuanyang and Jianshui, Yunnan Province - southwest of China. It was an amazing trip, I saw the terraced fields built by Hani people, the unique mushroom-look houses, peaceful Jianshui town. The night I stayed at Zhujia Courtyard House was an unforgettable experience. Anyone who are interested may visit <http://www.easytourchina.com/Yuanyang-Jianshui/index.htm>, there are some nice pics available to see.
