
Meet our members

Posted by Sandvand - 2007/03/18 16:09

A new feature has been added to many of the pages: In the right column you will find pictures of randomly chosen members. Click on the picture and you will be brought to that user's profile page.

Only members who have uploaded profile pictures are displayed, though.

Uploading your profile picture is easy and we encourage all our members to do so.

Read how to upload your profile picture [here](#).

John:)
