## Prohibiting use of SMS!!!

Posted by Sandvand - 2007/03/30 21:59

---

Weird politics in Cambodia:

SMS text messaging has been banned in Cambodia over the weekend amid fears of political unrest as the country votes for local government administrators, election officials said Friday.

READ MORE

How is it possible, I wonder? I have never heard of this censorship technique before. On the other hand, politics in Cambodia is kind of a world of its own, isn't it?
