
HELP ! What Algun Treaty ?

Posted by Jacques - 2008/06/29 03:19

Preparing the June 29 "What happened on this day" I found several time on June 29, 1858 this sentence "Treaty of Algun, China cedes north bank of Amur River to Russia", but nowhere analyse of this treaty

I know the Treaty of Aigun, signed on May 28,1858 on the same topic

Is it another treaty ? or a mistake copied the one on the other ?

The latter is correct as is as in the "Aigun Treaty", the "Treaty of Aigun" or in Chinese as the "Aihui Treaty" during the Qing Dynasty.
