
Top three destinations in the Philippines

Posted by Sandvand - 2007/04/23 20:51

Next week I will be going to the Philippines - and hopefully even meet some of the Asia Observer members there.

I am curious and challenge you all:

What are the top three destinations in the Philippines?

Give us your list. What are the places you really recommend tourists visit?

Let us get all the suggestions now - afterwards we will make a poll and vote.

Cheers,

John
who is looking very much forward to visiting your beautiful country again.

Hi John!

Here are my top three destinations if you're spending summer weeks in Philippines:

Hot and Cold Springs of Camiguin Island

Want to shed few pounds with the least amount of activity? Dip yourself at the Ardent Hot Springs, Camiguin Island (1-

hour flight from Manila). Right after, drive 15 minutes to the Cold Spings. Relaxing...Other attractions here are Katigbawasan Falls, Sunken Cemetery, Church Ruin (forgot exact name), Stations of the Cross that you would have to hike. Don't forget to buy their delectable Pastel bread (2 Dollars for a box of 10-12).

White Sands of Boracay Island (Cebu)

If you're curious to find out how it feels like to sleep on a bed of iodized salt, then, fly to Cebu.

Coral and Caves at El Nido Lagen, Palawan

Satisfy your taste for adventure and the exotic.

I may not be giving you reliable survey as there more than 7,000 islands in the Philippines and I've only gone to five. Regardless, you owe me your THREE IMPRESSIONS of my beloved country, in return for the above.

Bohol- rich marine life and cave swimming (panglao)! the tarsiers (exotic animals) you will instantly love! and don't forget to climb those steps in the chocolate hills! what a delight indeed!

Donsol, Sorsogon- you actually get to swim with whale sharks! amazing site and they don't bite. pure bliss =)

Tagaytay-the Taal lake (volcano) is a site to behold. go boating and trekking! play golf, get a massage or dine at the mouth watering restaurants around the area! spend the night at the bed and breakfast areas surrounding the place. =)

1. Palawan :) (Very good if you enjoy backpacking... Just go to the various attractions there like Underground River in Puerto Princesa, Tabon Cave in Quezon, the various beaches and seascapes in the province (like El Nido and Coron), and yeah the mountains... :P)
2. Boracay B) (It never losses a spot in anybody's vacation list... :cheer:)
3. Batanes (Haven't been here but I think this is also a good place... :))

Sheesh I didn't make it last night! I hate having colds :angry:

Top 3 Destinations

1. For recollection, nature tripping and reflection about your life I prefer going to Sagada, Tagaytay and Batangas.
2. If your a beach lover I suggest going to the beaches of Palawan, Davao and Cebu, though we all know that Boracay is a hot spot and one of the best beach in the philippines, Boracay is too crowded for me! its like a SM mall :laugh:
3. Enjoying the Metro. Malate and Libis is one good place for gimiks. They have good bars and restaurants around the vicinity. One good and hot place also is the Roxas Blvd or the Bay Walk.:woohoo:
